testing, their important applications, and the controversies that emerge from those applications in clinical, education, industrial, and legal settings. Robert M. Kaplan and Dennis P. Saccuzzo's engaging and thorough text demonstrates how psychological tests are constructed and used, both in a professional setting and in everyday lives. Part I focuses on the core concepts that affect the evaluation of all tests. Part II discusses the major types of psychological tests, while Part III looks at present-day issues affecting testing such as bias, laws, and ethics. Chapters are independent enough to allow instructors to structure their class to achieve course objectives. A multitude of test profiles and sample items illustrate how psychological testing is used and reported. Real-life case studies demonstrate the uses and misuses of psychological testing, helping to maximize student interest, while Technical Example boxes assist students in grasping complex statistical concepts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Application forms are designed to filter out unsuitable applicants and to ensure candidates for interview can be assessed objectively. How do you make sure that you pitch yourself properly and ensure your job application is more successful than those of others in the candidate pool? This book holds the answer. Preparing the Perfect Job Application is written for today's candidate, seeking success in an ever-competitive and more unforgiving jobs market. The book brims with focused, pertinent and insightful advice designed to help you highlight your real talents and demonstrate how they would be useful to your prospective employer on your application form or letter. Online supporting resources for this book include downloadable sample application forms. Includes: Multiple choice fact, scenario and case-based questions Correct answers and explanations to help you quickly master specialty content All questions have keywords linked to

*additional online references* The mission of StatPearls Publishing is to help you evaluate and improve your knowledge base. We do this by providing high quality, peer-reviewed, educationally sound questions written by leading educators. StatPearls PublishingHere's vital information on making the right recruitment choices, getting the best staff, and avoiding potential abusers! "More than a set of procedures, good staff selection practice is about a set of principles that embody particular attitudes to the task. If we achieve these basic principles, we will go a long way towards eliminating selection errors and the risk of abuse that follows such errors." –Author Meredith Kiraly Residential Child Care Staff

*Selection: Choose With Care* draws upon international research and the experience of practitioners to help you improve your ability to recruit the best staff. With a minimum of jargon, this book covers the range of selection methods and advocates a considered-but not cumbersome–approach that uses more than one method of assessing skills. It illustrates management techniques that reduce the likelihood of abuse and will show you how to avoid recruiting potentially abusive individuals. Residential Child Care Staff

*Selection: Choose With Care* provides insightful background information, examining the developmental needs of children; issues in the care of children away from home; abuse and pedophilia; and legal and ethical issues. Then the book discusses in more detail research findings which underpin key principles of good care and good staff selection, and best practice in a range of recruitment and selection practices. You'll also find a recruitment guide for all organizations that work with children and young people. The recruitment guide thoroughly examines the challenges and pitfalls of the recruitment process and will help you identify those who are most fit for this difficult yet extraordinarily rewarding career, and avoid recruiting those most likely to be abusive. This valuable book also includes four helpful appendixes
